*There were many events leading up to my decision to attend The Iron Yard (an intensive 12-week coding program) and ultimately change my life. But the main reason being that all of the jobs I had before this were just that... jobs. I was looking for something more but still have the ability to make a difference and I believe I have found that with developing. I am currently seeking an opportunity to start my developing career.*

---

## WORK EXPERIENCE

---

### **Value Medical** - Outside Pharmacy Sales Representative
